

Privacy Notice and Data Protection Policy

Date 19/05/2018:

John Burke Photography

To be updated: 19/05/2019

DATA COLLECTED: Client's name, address, contact numbers and email address.

DATA STORAGE: All data collected is stored on my PC and only accessible to me.

DATA SHARING: I do not share any personal details, names, addresses or emails with anyone. I hold the master photos taken from the shoots undertaken on my PC and Laptop only. Some of the photos are used for advertising my capacity as a photographer and on my website and social media for promotion.

If you do not wish me to use any images that have been taken please inform me and the images will be deleted permanently.

John Burke.
